Theme

One of the most noticeable changes in the past 50 years has been that which has occurred in teen-agers — their dress, way of speaking, thoughts, and music.

From sedate minuets and waltzes to more lively 2-steps, charlestons, and "jitterbugs" we've come to our present tempo of "bop." Its erratic, sometimes sensuous rhythms are synonomous with today's generation — a generation which we think will be as memorable to the future teen-agers as the charleston era of our parents has been to us.

The Administration

Editors Barbara Polster (left) and Jean Cancilla show Mr. Schmaelzle the 1954 Yearbook.

Principal's Message

The present is the child of the past and the parent of the future. For its standards of today, George Washington High School owes gratitude to the effort and accomplishment which mark the years gone by. To the years ahead, this generation of Washingtonians must transmit, untarnished, the ideals of morality, of worthy citizenship, and of intellectual honesty which are the essential ingredients in that concept known as standards.

The past, the present and the future, the underlying theme of the 1954 SURVEYOR, is symbolic of the continuity of spiritual and intellectual development to which George Washington High School is dedicated.

O. I. Schmaelzle

Head Counselor's Message

Your theme for the SURVEYOR is the vast change in garments worn by high school students today as compared to the students of 1890. Yet, except for the fact that there are many more of them, boys and girls are fundamentally the same as they were in 1890. Your change in wearing apparel has not changed your character, but only made it easier for you to live in a faster moving world. Methods of education have had to change, too, to keep up to this fast moving world. The fields of science and social studies, for instance, present problems unheard of in the nineties. The methods of presenting this knowledge have changed but the great fundamentals of learning remain the same. There is no short cut to knowledge — it is the result of hard work.

E. Parsons

Boys' Assistant Principal

Graduates of 1954, the time has come to lift the anchor and set sail for another port of call. For three years you studied and had fun at the big school on the hill. Now you must enter upon another period of training prior to taking your places in our complicated modern society.

Some of you will choose to continue your schooling at higher institutions of learning. You have the opportunity in San Francisco and in the state of California to avail yourselves of a college education at a very low cost. No doubt your counselor has informed you of this already. The rest of you will choose immediate employment in the various occupations available at this time for young people. Many of these occupations offer you training in a special kind of work. You do not have to go to school in order to learn most occupations or skills. You can learn on the job of a life career. But whatever you do, choose a field of work that you like and that has promise for advancement.

My best wishes to all of you as you go forth to begin your careers and be ever mindful that success in life comes to those who prepare for it.

J. A. Perino

Girls' Assistant Principal

Again it is time to extend greetings to the faculty and students who work together to make our school one of which we are justly proud.

This working together of faculty and students is one of the most outstanding changes which has come about in the years since the turn of the century. Students take more and more responsibility for the operation of their schools and thus have a real part in their progress.

It has been said that as "ye give so shall ye receive." I know of no place where this is so true as in our schools today. You boys and girls who give much of your time in service to your school reap great rewards in satisfaction through tasks well done, in growth in powers of accomplishment, and in assurance that you are laying the foundations for successful, happy and useful lives.

As the years flow on our confidence goes with you. Those of us who have known you well know the future is safe in your hands.

Myra R. Green

The only San Francisco science advisor to receive a trip to Purdue University was Mr. Gorham. He accompanied his student, Dave Gilbert, who won third place in the National Science Fair Contest.

Miss Counihan opens up the new faculty room on the 27th of April by cutting a big red ribbon.

After thirty-some years of teaching, Mr. Morton, head of the language department, will retire. He plans to travel in Europe.

Mr. Pearson was the only teacher in the Bay Area to receive the Ford Foundation Scholarship. This entitles him to travel, expense paid, throughout the United States and Canada all of next year.

Student Body Officers - Fall '53

Did you really know your officers? You knew Allan Seid was our President, but how hard he worked and applied his ability is something that wasn't always realized by everyone even though he received the Cumming's Cup for outstanding service.

And there is a saying that the best things come in small packages — well, Lula Tamaras proved this by the wonderful activities she turned out.

Ron Berman struck out on his own and proved the office of 2nd Vice President can be a tough but important job when done correctly.

The pen and book were Donna Young's symbols as Secretary, and she put them to good use, doing an outstanding job all term.

When the name Johnny Mathis is mentioned the hearts of Washingtonians open up to a boy with a magic voice that was loved by everyone, but Johnny wanted to serve his school further so he became its treasurer.

Encouraging the other officers and always having a kind word for everyone was Bob Gassin. He found the best way in which to help was to be there when help was needed most.

Bernie Slavin established himself as the outstanding salesman among the officers when he sold more game tickets than any other athletic manager has ever been able to do.

A "little" guy with a "big" personality was Mario Galang as Head Yell Leader. Rain or shine he led us sometimes with his own crazy yells and supported our team in a way that made this inimitable little officer a favorite at Washington.

Student Body Officers - Spring '54

The name Ron Berman shall forever ring through the halls of George Washington as the boy who handled the May Festival problem expertly and had a great wit in our rallies.

Pat Cowley has been the first Veep to be successful with a Dancing Club. She's one little gal who's had everyone "hep."

Backing up Ron and the rest of the officers was Bob Gassin who was always kept busy at 2nd Veep by helping out in such important projects as the May Festival drive.

Andy O'Brien, our very happy-go-lucky Secretary, was burdened with all sorts of problems, but she solved them all.

Rich ("Crusader") Millikan was really "gone" as Treasurer when he kept up the 100% Student Body card sales in 5 days tradition, and his bop and dancing ability helped Pat a lot with her dancing classes.

The strange noises heard in room 138 were made by Bob Grant, who besides his many jobs, kept up the spirit of the other officers when things were down.

"Good morning Washingtonians; this is your sportscaster, Bert Witte bringing . . ." Yes, this was said many times over the broadcast as our sports-minded Athletic Manager reported to us all the happenings in AAA sports.

Pepping up the spirit of the student body was a tough job at times for Dan Graney, for the spirit in Spring is never quite as high as in the Fall. But this didn't stop Dan, he kept us yelling all season with high hopes and spirit all the way.

Executive Council

In every democratic society there must be a governing or legislative body. At George Washington this group is called the Executive Council.

It is composed of the eight student body officers and the six class officers from each class, totaling in all, forty-four members. This group meets usually every two-weeks to discuss current and pressing problems in school.

Some of the duties of the Executive Council are: apportioning school funds; passing by-laws to supplement our Constitution; granting awards and honors in the name of the student body; making all laws and deciding upon all matters which shall affect the student body or the school.

One of the important functions of the Council this term was to decide whether to have a May Festival Drive as in the past.

The Council is presided over by the President of the Student Body and the group is advised by Miss Sonia Selig, the faculty sponsor. Surely this is the highest form of a truly student controlled, democratic government.

Washington Cabinet

Every Tuesday morning at 8 o'clock sharp, the Washington Cabinet, composed of one representative from each registry, meets in room 235.

To this meeting the delegates bring the problems and ideas of the students in their respective registries. The problems are discussed until a solution is reached. These solutions as well as explanations of the policies and viewpoints of the administration are then taken back to the registries for further discussion. The results of the registry meetings are reported to the cabinet the following week.

Although the cabinet itself has no administrative power and is not a policy making body, any new ideas or conclusions, resulting from the discussions at its meetings are passed on to the proper authorities, whether they be student body officers, Executive Council, the Principal, or faculty.

Since its adoption by Mr. Schmaelzle in 1949, the cabinet has been a very efficient means of gathering the opinions of a cross-section of the United Students of George Washington High School. This year, as in the past, the Washington Cabinet as an advisory group to the Principal and Executive Council, has proven itself a success as a sounding board for school problems.

Fall Class History

The graduating class of Fall 1953 will long be remembered for their fine contribution to Washington's Scholastic, Athletic, and Social accomplishments. With Miss Rita Clark as their more than able sponsor they completed three very successful years at Washington.

All the members of the class pitched in to produce "The Road to Mandalay," their Junior Day; which was followed by the dance "Mandalayan Melodies." The memorable Junior Prom "Moonlight Silhouettes," rounded out the term's activities.

Finally came the big Senior Year. With the presentation of "Music Through the Ages" their fabulous Senior Day and "Say It With Music," the dance, this class was nearing the end of its high school career.

They climaxed their journey with "Midwinter Dreams," their Senior Prom and their commencement on January 26, 1954.

Allan Seid receives president's gavel at Inaugural Rally.

Spring Class History

Under the capable direction of its sponsor Mrs. Corinne Hedtke, the Senior class of Spring 1954 had many memorable experiences at George Washington.

Junior Day brought to the school, "Parisian Boulevard," and the Junior Day Dance, "Frenchmen's Frolic." The Junior Prom, held at the Palace Ballroom was called "Stairway to the Stars."

When at last the Senior year came, this great class presented the unusual Senior Day, "And So It was." The Senior Day dance, "Out of This World," was another great experience for the senior class.

On June 11, 1954, the Senior Prom, "Unforgettable," was presented at the newly re-decorated Terrace Room of the Fairmont Hotel.

Ending a successful three years at George Washington High School, commencement exercises were held June 17, 1954, at the Opera House.

Unlimited Football

VARSITY FOOTBALL

This season the fighting Eagles got nosed out of the first division. All season the team had its ups and downs. The only thing wrong was that we had more downs than ups.

SACRED HEART

The season started off with an expected win over the Sacred Heart Irish. The Eagles seemed to be the better team dumping S. H. **26-7.**

BALBOA

The next game with Balboa showed that the Eagles played dead for the first half and tried to come back in the second. But it was just no use. The Eagles lost a close contest to Bal **18-21.**

LINCOLN

In the third game Lincoln literally overwhelmed the Eagles **38-6.** This time it really hurt to lose the Bell.

SAINT IGNATIUS

Because of the numerous amount of Washington fumbles, the S. I. Wildcats walked away with a **14-0** victory.

GALILEO

It was a happy day on which the Eagles turned out to be the victors in the Galileo game. We rode the Lions to a **24-20** win.

MISSION

In the Mission game the "would-have-been" winning touchdown was called back, and the Bears triumphed **12-7.**

POLYTECHNIC

Washington was smeared by the Poly Parrots **54-13.**

LOWELL

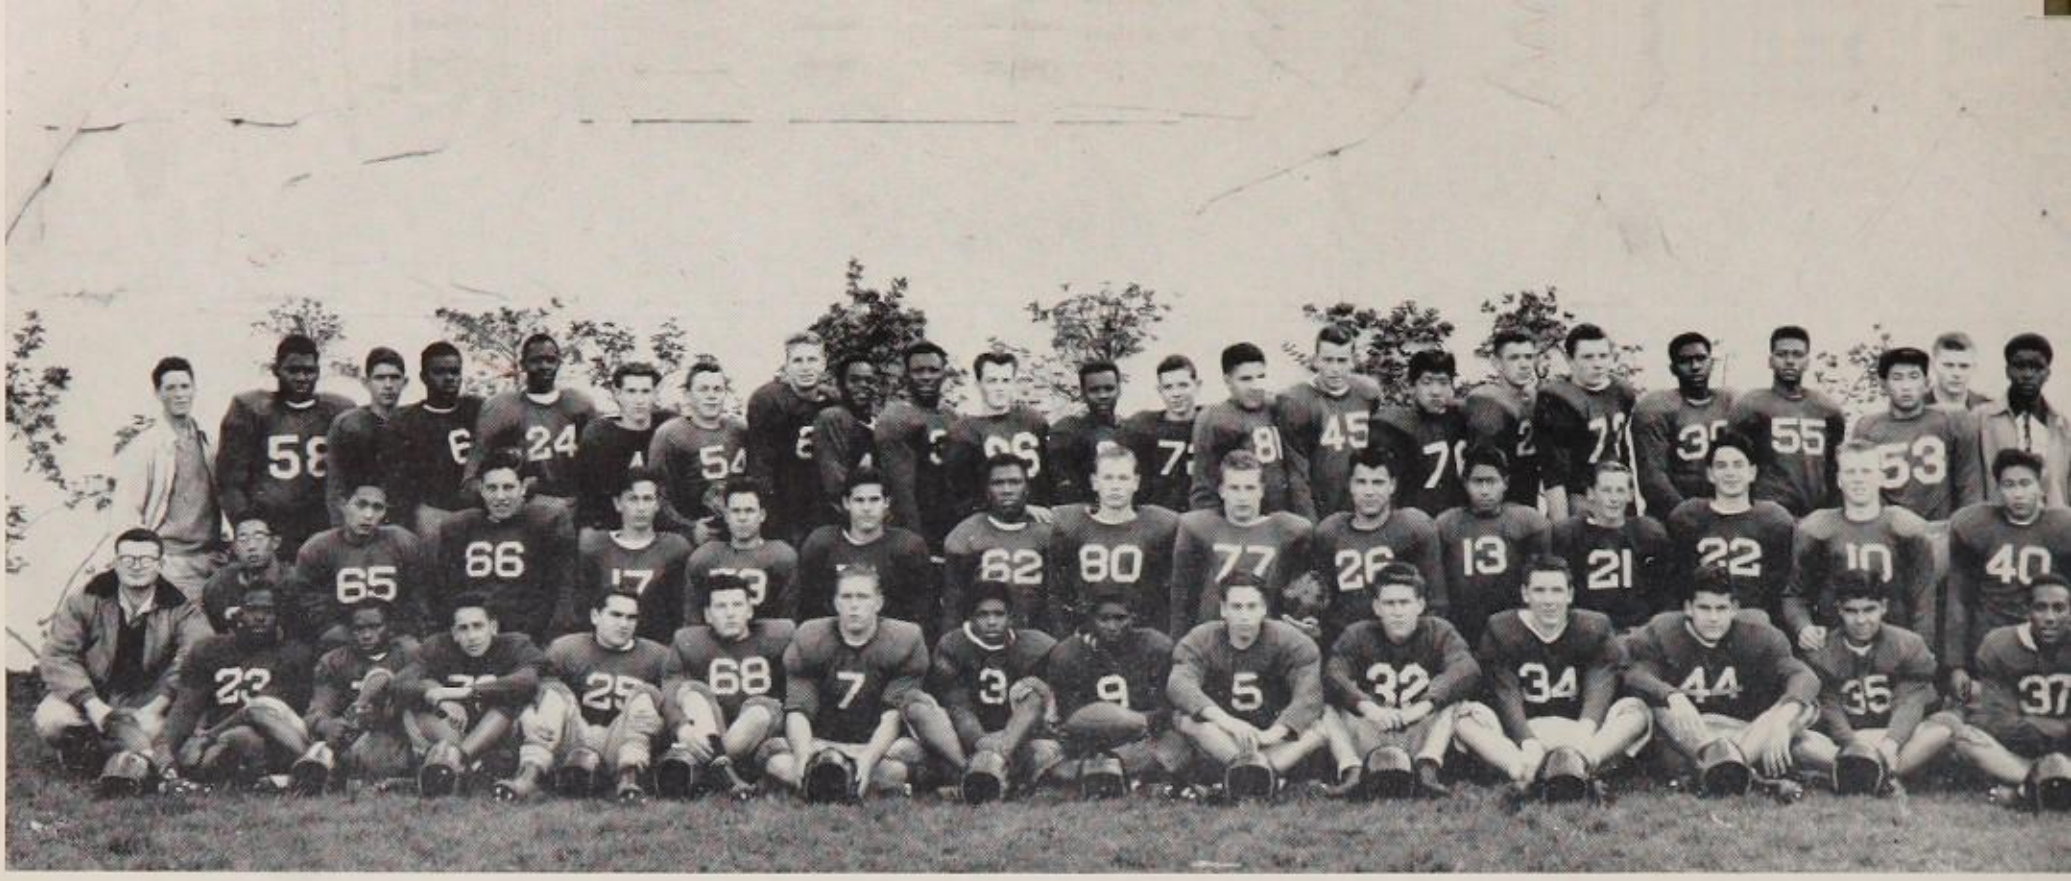
The Eagles stood up under the Indians' attack in a muddy thriller and stole the game **13-0.**

All in all, the Eagles had 3 ups and 5 downs.

Throughout the season the team was out there fighting and the student body was out there trying to help them win. Only once did the school spirit slacken only to come back with renewed vitality. For one reason or another several players were forced to quit the squad. This, among other things, tended to detract from the team spirit to say nothing of the fact that most of these fellows were first stringers.

Toward the end of the season the right arm of Bob Rief lost the accurateness that it once knew. At this point quarterback Johnny Panagakis made his debut into the first string, manifesting a skill that won popular acclaim among the students. This new life brought many dispairing football fans back out into the stadium to watch the success of a low junior who made good.

It goes without saying that whether the Eagles won or lost, the thrill and excitement, that makes football the game that it is, held the fans on the edge of their seats, tense until the final gun.



Row 1 (left to right): Haywood, Heard, Sauder, Knops, Terramorse, Carnahan, Waterfield, Garrick, Noveshen, Quayle, Van Doren, Bronson, Limneos, Burl. **Row 2:** Azov, Bingo, Yagi, Batz, Wolf, Campusana, Tapia, Turner, McNeil, Mierbach, Lunardi, Lim, Sochor, Joy, McMahon, Shimizu. **Row 3:** R. Jones, Burk, Sidwell, Crimes, Jacobs, Minehart, Fishbein, T. Jones, Wilton, Sanders, Nunan, Hutcherson, Verber, Ferrer, Kerwin, Wong, Williams, Barden, Johnson, McPherson, Okasaki, Price, Young.

Junior Football

In the first game of the season the Eaglets met a very strong Balboa team. Our boys just couldn't get rolling and lost by the low score of **2-0.**

The second game of the season was against Lincoln. Washintgon couldn't withstand a drive for the required distance and eventually lost **12-6.**

Washington finally broke into the win column by downing S. I. **37-13.** The Eaglets scored on the first play and were never in danger.

The team showed what it really could do if it wanted to by winning its second game of the season over Galileo **36-6.**

The Mission game proved to be a real thriller, and a hard-fighting Washington team finally came out on top **35-31.**

Flying high on a three game winning streak the junior varsity beat Poly **27-13.**

Playing one of their best defensive games of the season, the Eaglets beat the boys from Lowell **12-7.** The Washington line made a last minute goal line stand which saved the game.

In a game thah was postponed from the beginning of the season, Washington beat S. H. **24-6.**

The junior varsity had a very successful season. It ended up in second place with a 6-2 record, winning its last six games. A lot of its success was due to the fine coaching of Mr. Vasquez.

There are some fine potential players coming up to the varsity from our second place J. V. team. One boy to watch this year is little Jimmy Sochor, who will be making John Panagakis hustle for that first string quarterback position. Other boys who should help out this year from the J. V.'s are Ron Burl a fullback, Kelly Waterfield a halfback, and Ron McPherson an end. Bill Garrick will be a big help in the kicking department, and also is a good guard. Also a boy who should be a good defensive player is Ford Joy. There are many more boys who should develop into good players and help out the team a lot this year.

Row 1 (left to right): Jules Routbort, Don Morrison, Tony Escalle, Ralph Geanneui, Robert Slavin, John Alvergue, Rudy Dzuraczewicz, Carroll Dillon, Larry Frigillana, Joe Berliner, Robert Varni, Ed Jaurequi, William Henderson, Tom Coffman, Richard Robinson, Walter Singer, Robert Papara. Row 2: Arnold Mentz, Steve Shain, Vladimir Tenkevich, Said Dudum, Alex Baurel, Ralph Adler, George Datlik, Reggie Loyo, Ken Sundquist, Arnold Knudson, Ewing Chunn, Harold Knudson, Walter Herzberg, Milton Dong, Nick Wrany, Steve Ericson, Mike Evans, Robert Perry, Pete Cordellos.

Soccer Season

Mission 4 — Washington 1

The powerful Bears, defending champs, downed the Eagles **4-1** to open the 1953 AAA season.

Balboa 3 — Washington 4

The Eagles began a four-game winning streak with a **4-3** win over the Bucs. Larry Frigillana led the scoring.

Lowell 0 — Washington 5

Washington continued its winning ways by blanking their Hayes Street rivals by a **5-0** count. Papara scored 3 goals; Frigillana 1; and Singer 1 for the Eagles' win.

Saint Ignatius 0 — Washington 4

The Eagles then proceeded to blank a weak S. I. squad **4-0.** Herzberg tallied two goals; Papara 1; and Frigillana 1 for the win

Galileo 1 — Washington 2

Washington edged a highly touted Lion team **2-1.** Herzberg and Frigillana tallied for the Eagles. Defensive by Cordellos, Robinson, and Perry helped bring the upset win

Polytechnic 1 — Washington 0

In a tight defensive contest the Eagles' winning streak was broken by a tough Poly team, **1-0.**

Lincoln 0 — Washington 0

The underdog Mustangs fought the Eagle booters to a **0-0** tie. Coach Odone's charges ended with a 4-2-1 league record and a berth in the playoffs.

Play-offs: Mission 2 — Washington 0

Washington met the Mission Bears for the right to meet the winner of the Galileo-Poly play-off for the 1953 AAA Championship. A hard fighting Eagle squad was blanked **2-0** by the more experienced Missionites.

The outlook for the soccer team in 1954, looks pretty good as of now. There are six lettermen returning, beside all the other boys who saw action last year. The returning lettermen are Don Morrison, Sloko Petrenko, Rich Robinson, Jules Roubort, Robert Papara and Larry Frigillana. With all of these men back, Mr. Odone is looking for another successful season.

Row 1 (left to right): Don Miyamoto, Randy Garnett, Bob Cranston, Dick Daily, Europe Williams, Ike McArthur, Mike Siegal, Coach Bruce Wirth. **Row 2:** Coach Sid Phelan, Bob Arteberry, Harry Merrions, Mike Prusoff, Charlie Smith, Tom Barras, John Panagakis, Frank Norman, Henry Lemons, Johnnie Mathis.

Unlimited Basketball

Looking over the entire 1954 season the Varsity fared very successfully. They just missed a championship. No one can deny that this team, under the expert coaching of Head Coach Sid Phelan and Assistant Coach Bruce Wirth, playing at terrific odds against themselves many times, united and in most cases came through.

Sacred Heart

The season opened with a contest against Sacred Heart. Fighting all the way the Eagles won decisively **36-21.** This win built up a lot of confidence in the fellows on the team.

Lincoln

Next Washington met the Mustangs. This game was a repeat of the previous game. The Eagles overwhelmed Lincoln **50-40.** A large crowd watched this game, for its outcome was in doubt, and nobody wanted to miss the great contest that it turned out to be.

Poly

On January 19, a favored Parrot team took the reins and never let go until the final gun. The Eagles lost this one by ten points. The final score was **37-47.** This game was to be the first in a four-game losing streak.

Mission

Once more the Washington fans left the Kezar Pavillion with frowns. The Bears launched an attack that the Eagles just could not hold up under. Washington lost this game **22-36.** This was the last game for four fellows who were in there fighting in all those games, and who undoubtedly held some role in the games we did win. It was a blow to the team as well as the fans that we lost McArthur, Williams, Mathis, and O'Donnell to a diploma during mid-season.

Galileo

The fifth game of the season was against the Lions. The Eagles seemed slightly more evenly matched than they had been against the opponents of the latter two games. This time the margin was only six points. The Lions won **37-43.**

Saint Ignatius

On February 9, the Hilltoppers met the Wildcats from Saint Ignatius. Once more the Eagles were no match for the opposition. Washington lost **34-48.** But soon we would win. This could not happen to any one school without a change sooner or later.

Balboa

This was proven against the Bubs. After losing four straight the Eagles came back, **43-23,** and finally got a game in the bag. This gave the team some encouragement — enough, however to . . .

Lowell

. . . Scalp the Indians! Washingtonians turned out in force as did Lowellites for this bitter contest — and it was a bitter contest. There was no doubt about that. Before several thousand rooters the Eagles finally put together a real team effort to beat Lowell **32-30** in a second sudden-death overtime. The Eagles stalled for $3\frac{1}{2}$ miutes at the end of the first overtime in order to get one shot to tie the score at 30-all. Randy Garnett stood with the ball under his arm for most of the time, but almost double dribbled in the air once to blow the stall. He made his shot, but fouled Grider, who had just a few minutes before broken the AAA scoring record. Clarence missed both of his free throws because of the tension. The Eagles got the ball and stalled again. Garnett's performance was repeated. This was revenge for last year's one-point-win in the finals that Lowell gloated over.

130's Basketball

Sacred Heart

The 130's opened the season with an expected but still sparkling win over the Sacred Heart Irish. In the first quarter the nervous Eaglets, paced by Rosenberg, forward, Mann, forward, Reed, center, Jeong, guard, and O'Connor, guard, were not at their best; however, in the following three periods they exhibited terrific strength winning by a score of **43-17.**

Lincoln

Next the Eaglets, showing a great defense on the floor and backboards, overwhelmed a strong Mustang squad **29-40.** Chew Jeong took scoring honors with twelve points.

Poly

The 130's launched a surprise attack on the birds from Poly. An underestimated Washington five nabbed the game **41-28.** Bryce O'Connor swept the laurels with 15 points.

Mission

This was a bad day for the 130's. At the half we were behind 13-6. However, in the last two periods we struggled on and finally won after a fourth quarter rally **30-22.**

Galileo

Not much can be said about this contest except that the Eaglets easily overpowered the Lions **31-19.**

Saint Ignatius

The Wildcats stayed with Rosenberg all the way this trip. S. I. fought hard but not hard enough. The score was uncomfortable, **38-32.** This was one of S. I.'s better games.

Balboa

Here was one of the deciding games which came on February 19, when the Eaglets rolled over the Bucs **40-24.**

Lowell

As the final gun sounded, pandemonium broke loose. With a tremendous last minute surge by the entire team the 130's squeezed by in a very tight game **32-28.**

Semi-finals

This game against S. I. was enough to give anyone heart failure. The first half got the Washington five nowhere. Gradually we made our way upward until the final score read **31-29.** (Close enough?)

Finals

The finals against Poly gave the crown to the Eagle 130's. With only one goal in mind the Eaglets snatched a **35-29** victory and a championship from the Parrotts.

Coach Sid Phelan and Coach Bruce Wirth used strategy that probably no other coaches in the state could have used successfully. A lot of credit goes to these coaches as well as to the team.

Reserve Basketball

Reserve basketball is something new here at Washington. It was all started by Mr. Phelan and Mr. Wirth to get sophomores and juniors to go out for basketball. Some of the other schools in the city are also starting basketball reserve teams. Some of the teams that followed Washington are Balboa, Lowell and Lincoln.

Although the schools do not have a league, they play out of town games with Tamalpais J. V. and Drake J. V. There is always a chance for the reserve player to be called during mid-season to play for the varsity, as happened this year.

Golf

Mowing down any and all opposition in its way, the Eagle golf team produced a really successful seasor Under the guidance of Coach Bruce Wirth, the golfers birdied, aced, and mashied over Lincoln, Galileo, Poly, Balboa and Sacred Heart, to name a few.

In a sport where individual prowess is so important, Washington can well be proud of its phenomenally strong team.

To name stars and "best players," one would have to include the whole team. However, a few of the boys who did some noteworthy playing are Elliot Warshauer, Dave Kruchkoff, Gil Brunk, John Sochor, Gary Melman, Steve Shermoen and Mike Evans.

✶ ✶ ✶ Track Season ✶ ✶ ✶

The George Washington High School cindermen had another championship season in 1954. In the past sixe years the teams have won 76 meets and lost 4, a very impressive record.

Washington-Balboa—In the first meet of the season, we took all three divisions from Balboa by the score of 81 1/2 to 31 1/2, 67-28, and 52 to 16.

Washington-Mission—Mission was the next team to go down against our hard fighting team. The scores were 89 to 24, 74 1/3 to 20 2/3, and 38 1/3 to 29 2/3.

Washington-Saint Ignatius—The next meet was against the S. I. Wildcats. The scores were 75 2/3 to 37 1/3, 86 3/4 to 4 1/4, and 57 to 11.

Washington-Poly—The Poly team which was supposed to give Washington a lot of trouble this year lost to the Eagles by scores of 66 3/4 to 46 1/4, 63 to 36, and 48 to 20.

Washington-Galileo—Showing much improvement in every meet, the Washington High team won all three divisions from Galileo by scores of 93 to 20, 82 to 12, and 53 1/4 to 14 1/2.

Washington-Lincoln—Looking forward to the Lowell meet, the Eagles ran over the Lincoln ponies by the scores of 81 1/2 to 31 1/2, 67 to 28, and 52 to 16.

Washington-Lowell—In the last dual track meet of the season the Washington Eagles beat the highly rated Lowell Indians. The scores were 69 to 44, 71 1/3 to 23 2/5, and 53 to 15. This meant that we won the round robin championship for the fifth straight year.

Row 1 (left to right): Leland Sheldon, Fred Gonzalez, Merle Martin, Marrioun Page, Bill Garrick, Kelly Waterfield, Jim Shelbourne, Jules Routbort, Roland Carr, Walter Chung, Bob Campos, Mario Galang, Dick Masuda, Roland Quong, Ralph Feiga, Calvin Thompson. **Row 2:** Geo. Cross Country Track

The George Washington cross-country team under the coaching of Mr. Vasquez enjoyed a successful season by tying with Lowell for second place in the annual cross-country meet.

Melvyn Dowdell, setting the pace and breaking the old record set by Dennis Lanterman, pooled a new record of 9:09.6. This is over ten seconds better than the 1949 record set by Lanterman.

Outstanding runners in the all-city were Bill Collins, who came in 6th, and James Watson, who came in 10th.

Tennis

This year our tennis team nas started another season successfully. Mr. Reade's coaching has brought the boys a long way.

Their first match with Poly was won by default. Because they didn't actually play against Poly, they met Saint Ignatius with a great deal of fight and ended with a final score of 7-0.

The netmen were still going strong strong in the third match of the season with Balboa. They whipped the Buccaneers 7-0. This was just the beginning of a successful season.

Baseball

This year's baseball team ended up with a 2-6 record. If they had received a few breakers during the season it could have made a big difference in their record.

Lowell—Washington High baseball team got off to a good start by shutting out Lowell 2-0. The outstanding player was Daryl Hadley, who gave up just three hits.

S. I.—The Eagles lost their first game of the season to a hard fighting S. I. team 5-0.

S. H.—The Hilltoppers went down to their second straight defeat by bowing to S. H. 7-4.

Mission—No hits was the whole story in the Mission game. The Eagles only got one hit and lost a 5-0 decision to the Bears from Mission.

Poly—Hadley registered his second win of the campaign by defeating a favored Poly team 10-1. Montalvo and Rosenberg were the big guns in the hitting department.

Galileo—In one of the highest score games of the season, the Galileo Lions scored a 15-7 victory and gave the Eagles their fourth loss of the season.

Lincoln—Although Bob Cranston played an outstanding game by hitting in the only two runs, we drop the Lincoln game by a score of 4-2.

Balboa—In the last game of the season, we lost to a tough Balboa team by a score of 6-0. Cranston was the big gun in the hitting department for the second straight game.

Row 1 (left to right): Jan Carnahan, Bill Van Way, Ford Joy, Al Blumenfeld, Rich Weinstein, Fred Williams, Dennis Connell,, Pete Grassi, Bruce Gledhill, Ralph Giannini. **Row 2:** Coach Odone, Guy Van Doren, Slex Eagle, Robert Mersereau, Lawson Bronson, Rheem Davis, Sub Agliolo, Jerry Mann, Mike Bratt, Mike Sidwell, James Maratsos.

Swimming

This season, as in past seasons, Mr. Odone, the Eagle swimming coach, predicted great things for his team. At the time this annual went to press, these games seemed highly indicative of the final results of the season.

The Eagles first met up with the Parrots. Now, parrots are no different from ducks in that water does not roll off theilr backs. And Washington proved it by dunking them 168-17, all divisions winning.

The Eagles next tipped the canoe of the Lowell Indians. They never reached land. Washington's ammunition outnumbered theirs, 156 cannon balls to 32 arrows.

Lions, members of the cat family, cannot swim, you know. Aware of this, our frogmen took advantage of Calileo by watching them sink three times. Once in the varsity, 68-6; once in the 130's division, 47-10; cnd lastly in the 120's division, 52-4.

The ship of the Buccanneer's had holes in it. The Eagle varsity undermined its hull 68-5. The 130's and 120's finished up, 52-4 and 50-6, respectively.

When the SURVEYOR went to press, it was the general thought that the rest of our competition would give us no trouble with the exception of S. I., which was predicted to keep the swimming team on its toes.

The Girls' Athletic Association

Another word for fun, good times, and lasting friendships is the GAA. Commonly referred to by its three initials, the GAA or Girls' Athletic Association has once again completed a more than successful year.

Under the capable hands of Fall President, Joyce Hirota, and Spring President, Adrienne Ho, along with Miss Shearer, the faculty adviser, more than 500 girls have earned awards and developed a high proficiency in one or more sports.

The GAA is one of the biggest organizations in school, and everyone who belongs agrees that it's well-worth the time devoted to it. Competition is always high and in any one sport, there will always be Sophomores, Juniors, and Seniors playing together.

With volleyball, badminton, ice skating, riding, swimming, tennis, modern dancing, basketball, and bowling to choose from, the girls have found many and varied sports from which to select their favorite.

Successful playdays, awards rallies, and a feeling of "belonging" all have come about through the efforts of hard-working officers and interested members .

Awards are given to the girls with no more than 3 absences at the completion of the term of GAA sports. The first award that may be won is a numeral; the second is a chevron; then a circle W is awarded; the fourth award is a Block W which entitles its holder to join the Block W Society; a star is next; finally, for six terms of GAA participation, the girl is awarded a beautiful gold W.

The Eagle

Fall editor, John Doty, and Spring editor, Joyce Weaver, along with the staff, under the direction of Mr. Wire, have brought you the Eagle for the past year.

This paper, published approximately every two weeks, is run exactly like your daily newspaper, except that it is printed off campus. Room 228 is always buzzing with fun and excitement but the hard work always seems to get done.

The staff has tried its hardest to bring you all the news that occurs at GWHS in an interesting manner, and the editors, through their editorials, have tried to bring out the best in all of us.

Hope the Eagle has pleased you.

The Surveyor

Work on the Surveyor by members of the Journalism class begins very early in the fall semester even though the Surveyor doesn't come out until June. Hard work and fun are combined in making the "dummy" into which all the ideas for the new book are arranged in their final order, and in pasting up the "layouts" for each page. A new cover has to be designed every year, too, and this time the staff decided to try something new and go "ultra modern."

JEAN CANCILLA

BARBARA POLSTER

When the high seniors, the class and student-body officers, the clubs, and other organizations begin having their pictures taken, another step in forming the yearbook has been taken.

"Bustles to Bop" was originated by the Editors and the staff with the hope that it will be enjoyed by the entire student body.

Choral Groups

George Washington has always been proud of her music department and especially of the choir, under the direction of Mrs. Myrtle Swanson. An average of fifty-five girls and boys sing in the choir every term.

The year is always busy for this group, since many performances demand their presence. The choir participates with the orchestra and other musical performers at the Spring Concert, Alumni Concert, Christmas Tableau, Annual Music Festival at State College, Graduation Ceremonies and as a special service this year, sang for a convention of California Principals, meeting in San Francisco.

This fine group deserves many thanks for the contribution it has made to George Washington.

Band and Orchestra

Under the direction of Mr. Herbert Welch, the George Washington High School Band and Orchestra furnished a successful year of musical art. The Band played at all the football and basketball games. It also played for the rallies, the Spring Concert, and participated in the Third Annual Prep Pageant at Kezar Stadium in September.

The Orchestra performed superbly at both graduations and both term plays. The Orchestra also played for Open House, Spring Concert and the Christmas Tableau. The Band and the Orchestra took part in the Northern California Music Festival, which was held this year at the San Francisco State College Campus. A woodwind quartet, a saxophone quartet and several soloists also participated.

Reserve Officers Training Corps

Under the very capable direction of Sergeants Leonard and Hicks the ROTC has had another very active and successful year. The ROTC annually participates in many functions, including the Columbus Day Parade and the St. Patrick's Day Parade.

George Washington's 280 man battalion is one of the largest in the city and usually does very well in competition with the other high schools in rifle matches, the 91st Division Drill Competiton, and the Federal Inspection.

Federal Inspection, which was the highlight of the year, was held on May 19. On this day officers come from the Presidio to inspect our ROTC and compare our unit with the others in the city. George Washington is always given one of the top ratings.

This year something new has been done with the Awards and Decorations Ceremony. It was held at night on June 3 in the Auditorium, and consisted of a variety show and an open house in the armory, for the general interest of parents and guests.

The Saber Club, which is made up of the officers, had a dinner dance in June which was very successful.

Activities and Organizations

The activities and organizations of George Washington are certainly an important part of our school life. Nearly all the students take an active part in many of the clubs.

The C.S.F., an honor society for the students of George Washington, has been very active this past year. One of their many activities was a City-wide sport night.

One of the busiest organizations at George Washington is the Scarlet and Gray Society. Among their many outside activities, the Scarlet and Gray had a picnic and an outing.

The Bay Area's first annual Science Fair was a huge success partly due to the widespread participation of the George Washington Science Club.

"See you at Metropolitan Life!"

Sally rates an orchid for looking ahead!

Right after graduation she'll begin working at a wonderful "career" job with the Metropolitan Life Insurance Company.

Take a tip from Sally and make your own plans for the future . . . now! There's a wonderful opportunity for you at Metropolitan that means steady employment, lots of chances for advancement, ideal working conditions, and a five-day week. You'll start with a good salary, and satisfactory workers get three raises the first year; periodic raises thereafter.

In addition, you will find liberal vacations; attractive luncheon and lounge facilities; life, sickness, hospital and medical expense insurance; and lots of people your own age waiting to welcome you into various social, athletic and recreational groups.

Learn all about it — NOW!

For full information about the many opportunities available, come to the Personnel Division, Monday through Friday, any time between 8:30 A.M. and 5 P.M.

Dear Sylvia,
I hope you have loads of fun this summer and I wish you good luck in the coming years.
your friend,

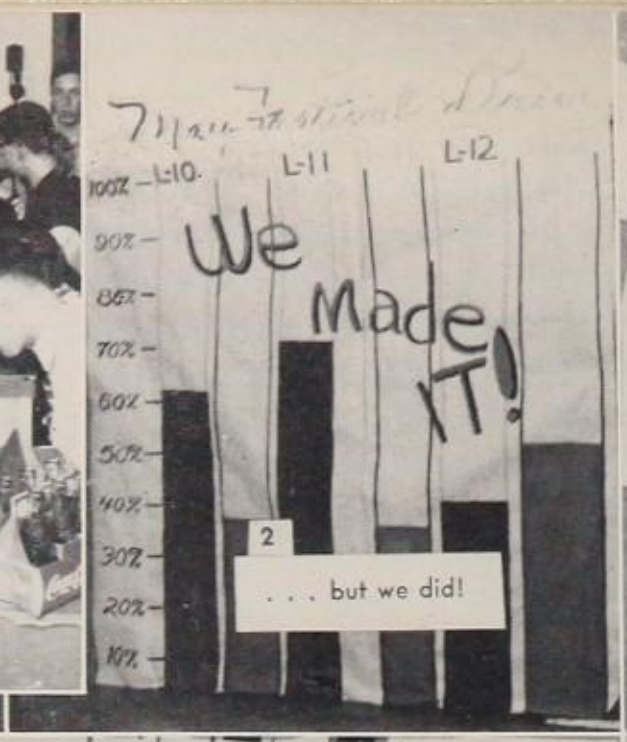
1
Our project this year was collecting bottles, and like most of us you were afraid we might not reach our goal



2
. . . but we did!

3
A script had to be written for the show (hence the dictionary) . . .

4
. . . after which, of course, you had rehearsals

5
Lots of them . . .

6
. . . for all of the acts

7
Long after everyone else had left school, and way before they got there, you rehearsed

MAY FESTIVAL . . .
From Bottles to Backstage

But you found being in a show like this had its rewards . . .

8

9
whether you were doing a solo . . .

10
. . . or dancing in a chorus line

11
Sometimes you stayed to watch the other acts . . .

12
. . . because you liked the feeling of belonging that being in this show always gave you . . .

13
. . . and because you knew, like everyone else had ever seen a May Festival show, that this one

May Festival Queen and Attendants

Queen Jan Rutherford, center, and her attendants. Left, top and bottom: Nancy Nelson, Diane Braskamp; right, top and bottom; Marilyn Blake, Kathy Koenemann.

No May Festival would be complete without a queen, and this year was no exception. She and her four attendants are elected on the basis of their looks by the rest of the student-body, and reign over the carnival and dance where they are crowned.

The May Festival was held so late this year that we were forced to have the election of the queen 3 weeks ahead of the actual day so that we could meet our deadline. And also, because of this deadline, we had to plan our candid page (at left), from a "backstage-view-of-a-May-Festival-in-progress" angle.

We hope that this behind the scenes picture story will, in the future, bring back a few memories of your part in this fabulous day.
